Dear Shamim,

RE: BASIC FIREFIGHTING COURSE FEEDBACK

We would like to thank you for organizing the facilitation of a basic firefighting course, for 10 ladies from our partnering Pre-Schools. The ladies found the course to be most informative, interesting and empowering.

Through our iThemba Educare Programme, we aim to support pre-schools in providing elevated Early Childhood Development to the children within their Schools, aged 0-5 years.

We are thankful to have had the opportunity to provide these staff members with the training they need to ensure that their Schools are safe, and that in the event of a fire, they are able to respond effectively and safeguard the children and staff members.

Many thanks for and for supporting us in our efforts to build bridges of hope for life-altering positive change.

Yours sincerely,

Heather MacGregor
