TO WHOM IT MAY CONCERN

Re: Emcare

Primedia Outdoor, a division of Primedia (Pty) Ltd has been using Emcare (Pty) Ltd for SHE Rep and First Aid Training since July 2018.

Feedback from delegates who have attended training with Emcare has always been positive.

Primedia Outdoor has also entrusted Emcare for the last two years with Medical Standby Services at our Annual Cook-Off events.

We can therefore recommend Emcare for the training and services stated above.

Yours Sincerely,

Kumaran Naicker
